# Frosty the Snowman - Steve Nelson and Jack Rollins

4/4 time

C C F C  
Frosty the snowman was a jolly happy soul

F C D7 G  
With a corn cop pipe and a button nose and two eyes made out of coal

C C F C  
Frosty the snowman is a fairy tale they say

F C G C  
He was made out of snow, but the children know how he came to life one day

F C G C  
There must of been some magic in that ol' silk cap they found

D7 D7 G G  
For when they placed it on his head he began to dance around

Frosty the snowman was alive as he could be  
And the children say he could laugh and play just the same as you and me

Frosty the snowman knew the snow was hot that day  
So he said lets run and have some fun before I melt away

Down to the village with a broom stick in his hand  
Runnin' here and there all around the square sayin' "Catch me if you can."

He led them down the streets of town right to the traffic cop  
And he only paused a moment when he heard him holler stop

Frosty the snowman had to hurry on his way  
But he waved goodbye sayin' please don't cry I'll be back again some day

C C C G  
Thumpedy thump thump. Thumpedy thump thump. Look at Frosty go.

C C | C G | C  
Thumpedy thump thump. Thumpedy thump thump. Over the hills of snow.

## Gloucestershire Wassail - English Carol

3/4 time

G G C G  
Wassail! wassail! all over the town,  
C C G D  
Our toast it is white and our ale it is brown;  
G D G D  
Our bowl it is made of the white maple tree;  
G C D G  
With the wassailing bowl, we'll drink to thee.

Here's to our horse, and to his right ear,  
God send our master a happy new year  
A happy new year as e'er he did see,  
With my wassailing bowl I drink to thee.

So here is to Cherry and to his right cheek  
Pray God send our master a good piece of beef  
And a good piece of beef that may we all see  
With the wassailing bowl, we'll drink to thee.

Here's to our mare, and to her right eye,  
God send our mistress a good Christmas pie;  
A good Christmas pie as e'er I did see,  
With my wassailing bowl I drink to thee.

So here is to Broad Mary and to her broad horn  
May God send our master a good crop of corn  
And a good crop of corn that may we all see  
With the wassailing bowl, we'll drink to thee.

And here is to Fillpail and to her left ear  
Pray God send our master a happy New Year  
And a happy New Year as e'er he did see  
With the wassailing bowl, we'll drink to thee.

Here's to our cow, and to her long tail,  
God send our master us never may fail  
Of a cup of good beer: I pray you draw near,  
And our jolly wassail it's then you shall hear.

Come butler, come fill us a bowl of the best  
Then we hope that your soul in heaven may rest  
But if you do draw us a bowl of the small  
Then down shall go butler, bowl and all.

Be here any maids? I suppose here be some;  
Sure they will not let young men stand on the cold  
stone!  
Sing hey O, maids! come trole back the pin,  
And the fairest maid in the house let us all in.

Then here's to the maid in the lily white smock  
Who tripped to the door and slipped back the lock  
Who tripped to the door and pulled back the pin  
For to let these jolly wassailers in.

**Six White Boomers** - John D. Brown / Rolf Harris (*\*Boomer is an Australian nickname for a kangaroo*)

4/4 time

G            G            C            G  
Early on one Christmas Day, a Joey Kanga-roo  
G            C            A7            D7  
Was far from home and lost in a great big zoo  
G            G            C            G  
Mummy, where's my mummy, they've taken her a-way  
G            G            D            D  
We'll help you find your mummy son, hop on the sleigh

Up beside the bag of toys, little Joey hopped  
But they hadn't gone far when Santa stopped  
Un-harnessed all the reindeer and Joey wondered why  
Then he heard a far off booming in the sky

G            G            C            G  
Six white boomers, snow white boomers  
G            G            A7            D  
Racing Santa Claus through the blazing sun  
G            G            C            G  
Six white boomers, snow white boomers  
D            D            G            G  
.. On his Aus-tra-lian run

Pretty soon old Santa began to feel the heat  
Took his fur-lined boots off to cool his feet  
Into one popped Joey, feeling quite OK  
While those old man kangaroos kept pulling on the sleigh

CHORUS

Joey said to Santa, Santa, what about the toys  
Aren't you giving some to these girls and boys  
They've all got their presents son, we were here last night  
This trip is an extra trip, Joey's special flight

CHORUS

Soon the sleigh was flashing past, right over Marble Bar  
Slow down there, cried Santa, it can't be far  
Come up on my lap son, and have a look around  
There she is, that's mummy, bounding up and down

CHORUS

Well that's the bestest Christmas treat that Joey ever had  
Curled up in mother's pouch all snug and glad  
The last they saw was Santa headed northward from the sun  
The only year the boomers worked a double run

# Winter Wonderland - Felix Bernard, Richard B. Smith

4/4 time

G G  
Sleigh bells ring, are you listenin'  
D D  
In the lane, snow is glistening  
| D7 Am | | Bm C |  
A beautiful sight, we're happy tonight  
| Em D7 | | G |  
Walking in a Winter Wonderland

Gone away is the blue bird  
In his place is the new bird  
He's singing our song, as we go along  
Walking in a Winter Wonderland

| B F#7 | | B |  
In the meadow we can build a snowman  
| B F#7 | | B |  
Then pretend that he is Parson Brown  
| D A | | D |  
He'll say "Are you married ?", We'll say "No man,  
| D A | | D |  
But you can do the job when you're in town."

Later on, we'll conspire  
As we dream by the fire  
To face unafraid, the plans that we made  
Walking in a Winter Wonderland

In the meadow we can build a snowman  
And pretend that he's a circus clown  
We'll have lots of fun with Mr. Snowman  
Until the other kiddies knock him down

When it snows, ain't it thrillin'  
Though you know, kids are chillin'  
We'll frolic & play, together all day  
Walking in a Winter Wonderland

*The original lyrics of this phrase used a word that is considered by many to be a slur towards First Nations people. I made a change to the lyrics with the goal of continuing to enjoy the rest of the song without continuing to use harmful language.*
